• Basics for Back to School: Hold a donation drive to collect NEW backpacks and basic school supplies to be donated to the “Back to School Rally” that takes place every August at Waterbury Library Park.

• Diaper Drive: Diapers are expensive, and struggling parents often face a choice between paying for other essentials, and going without them. Organize a diaper drive to help support your local diaper bank.

• Personal Care Kits for the Homeless: Hold a donation drive to collect in-demand items during the summer or winter months, that will help those experiencing homelessness. Organize needed supplies and distribute at the CHD Hospitality Center, a safe place for people who are homeless to connect with services while in the process of moving towards housing stability.

• Winter Warming Drive: This is a time when those with scarce resources need items to stay warm. Help make the winter a bit warmer for children and families in our community. Coordinate a hat, gloves, scarves and socks drive in your office or among friends to be donated to local shelters.

• Toy Drive: Organize a Toy Drive to donate toys to a local Holiday Program.
