BE THE REASON
WE CAN KEEP THIS UP
When times like these knock us down, the local volunteers for United Way of Greater Waterbury jump up to help.

In an unprecedented response to COVID-19, we and our partners came together. Convening joint efforts. Mobilizing resources. Distributing grants to front line organizations. Providing funds for families and others in filling basic need gaps. Creating immediate impact.

When you give here, you improve the education, financial stability and basic needs for thousands.

YOU CAN BE THE REASON!

SEE WHO YOU’RE HELPING — AND HOW YOU CAN HAVE A HUGE IMPACT
