Changes in the economic landscape and people’s health have stranded many of our neighbors on the wrong side of life. But thanks to your support of United Way of Greater Waterbury, it doesn’t have to stay that way.

SO WE'RE ASKING: PLEASE HELP US BUILD THE BRIDGE.

With you, United Way can mobilize resources, guide volunteers, and strategically invest in our community in a way that, for thousands of people in our area, helps them cross the divide to a better life.
EDUCATION  FINANCIAL STABILITY  BASIC NEEDS

WHEN WE BUILD THE BRIDGE, our fellow neighbors can overcome the greatest obstacles in life related to their Education, Financial Stability and Basic Needs.

The Bridge can help individuals and families leave hunger behind, connect them to job skills, keep them from plunging into homelessness, and show them a way to rise above hopelessness.
