

LOOKING FOR SOMETHING TO DO WITH YOUR SPARE CHANGE?

Take part in the United Way of Greater Waterbury's **Penny Wars!**

HOW IT WORKS

Penny Wars is a competition for your business where teams face-off to accumulate the most points, and in turn raise funds for the United Way of Greater Waterbury. The rules are simple:

- Each team within your business places an empty jar in their common area.
- Departments gain points by adding pennies to their jar — each penny equals 1 point.
- Points are lost for each coin or bill added to the jar that is not a penny, equal to the value of the coin or bill — so if someone puts a nickel in your jar, you lose 5 points, if they put a dollar in your jar, you lose 100 points.
- The team with the most points is declared the winner at the end of the competition.
- Bring your filled jar to a participating local bank to have your coins cashed out for no fee:

The company with the overall highest total donation will receive a mention in the Waterbury Republican-American and on our social media. Join us today, and help our local community while having a little fun with your co-workers!
